

New Software Update

We're in the process of updating Mighty and Mini 4K boxes with our 3.21 software release and Mini boxes with our 3.16 software release.

What's new in these releases:

3.21 Ingeegoodbye (Mighty and Mini 4K boxes) & 3.16 Hunter (Mini boxes)

- ✓ The Paramount + app has been updated to get ready for sport on Paramount + including A-League Men, A-League Women, Socceroos and Matildas matches coming soon.
- ✓ Backend changes to support future updates.
- ✓ General bug fixes.

Tentative Rollout*

The update will roll out over the next few weeks, with everyone having received the upgrade by the end of October*.

You can check your version at **Menu > Manage > Settings > Device Info.**

If your box hasn't automatically updated as scheduled, you can access the update by restarting your Fetch box.

*The rollout is subject to change, so follow us at facebook.com/fetchtv for updates and specific timings.

Sport on Paramount + (Mighty and Mini 4K boxes)

This update to Fetch introduces the ability to watch sport via the Paramount + app.

Menu > Apps > All > Paramount + > All Shows > Sports

- **From October 14**, there will be sport highlights, mini matches and full match replays from AFC Road to Qatar Qualifier as well as Socceroo and Matildas friendly matches available to watch.
- Live streaming of sport, including the A-League, will commence on the app at a later date.
- There is no additional cost for Paramount + subscribers to access live sport on the app. It is included with the standard \$8.99 p/mth Paramount+ subscription.
- If you are an existing Paramount + or 10 All Access subscriber, you can use your existing account details to login.
- If you are new to Paramount + you can subscribe via Fetch by going to **Menu > Manage > Subscriptions > Paramount+**, and press the Green button to subscribe.
